WHY REGISTER?

Our Seventh Tradition states, "We are self-supporting through our own contributions." This brings feelings of self-worth and unity which are essential for recovery. The money that is collected from registration is used to pay for all convention related expenses. We believe that once participants understand this, the question "Why Register?" will be answered. Your registration entitles you to attend scheduled events that don't require a ticket.

NEWCOMER POLICY

Newcomer registrations are reserved for the Newcomer with less than 30 days of clean time who cannot afford the price of registration. Each Newcomer receiving a registration will be asked to make a donation to the Newcomer Fund. Registration will be distributed on a "first-come, first-served" basis at hours to be posted.
